To Whom It May Concern:

I want to thank and acknowledge David Frasher for his hard work and dedication as Oregon City's City Manager for the past five (5) years.

David Frasher has a passion for the people he works with and for as well as an ability to inspire them beyond what they believe they are capable of doing. When David came to our city, our City Commission was struggling to make cohesive and economically sound decisions. David was able to work with them, quell some of the dysfunction, and encourage them to cooperate in more synergistic decision making thereby promoting positive economic growth for our city.

David is not only diplomatic but an extremely charismatic City Manager whose key leadership has helped to bring national recognition to Oregon City. The Willamette Falls Legacy Project (www.rediscoverthefalls.com) is just one of many projects on which David advocated, negotiated, and collaborated. Plans for this project include a public river walk along the edge of the Willamette River and a thriving, connected, downtown Oregon City with housing, public spaces, habitat restoration, education, and employment. David was instrumental in bringing city officials, as well as Clackamas County, Metro, the Governor's Regional Solutions Team, community advocates, and business people together to transform this abandoned site into a compelling new investment opportunity.

Personally, I found David to be honest, forthright, and willing to do whatever necessary to ensure I had the support needed to accomplish mutual goals. He always had an open door to listen, asked appropriate questions, returned my phone calls promptly, and did everything within his power to help resolve the issues I was unable to solve on my own.

David Frasher is one those unique individuals who worked consistently to ensure Oregon City, as a city, would be an outstanding and prosperous place to live, start a new business or vacation while he simultaneously devoted himself to its citizens and loyally served our community's needs on an personal level.

I wish David all the best as he moves on to his next great challenge. I know he will surpass all expectations as he did at Oregon City.

Sincerely,

A handwritten signature in cursive script that reads "Rose Holden".

Rose Holden, Owner
